2. Reading comprehension.

It's Monday, and Lily wakes up early in the morning. She takes a shower and eats her breakfast. Then, she picks up her rucksack and runs to the bus stop.

She arrives at school at 8:30. She sits next to her friend, Emma. Her first subject in the morning is geography. Then, she has maths.

They have a break at 10:30. Lily and Emma plan to read their favorite book in the library. But they remember the new swing set, so they go to the playground and play together.

Then, they go back to the classroom to study science. The teacher writes a lot of notes on the board. She asks them to write their own notes in their notebooks, too.

Lily goes home at 12:30 and eats her lunch. Then, she watches her favorite show on TV. After that, she does her homework.

Answer the questions:

1. What day is it?
2. How does Lily go to school?
3. When is their break time?
4. Do they go to the library?
5. What subjects do they study on Monday?
6. Why do Lily and Emma go to the playground instead of the library?
